WHY THIS SHOW

A SPECIALIST COMMERCIAL ENVIRONMENT, NOT A GENERIC HEALTHCARE EVENT

WHERE MEDICAL-DEVICE INNOVATION MEETS BUYING DECISIONS

Advanced Medical Device Show 2027 is focused on physical medical technology and the businesses that design, manufacture, source, evaluate, distribute and purchase it. The commercial journey is designed to help exhibitors explain capability clearly and move relevant conversations toward practical next steps.

PRODUCT & TECHNOLOGY

Medical devices, clinical hardware, diagnostics, connected devices, surgical robotics and supporting technologies.

ENGINEERING & SUPPLY

Components, materials, design, testing, validation, contract manufacturing, packaging, sterilisation and supply-chain capability.

BUYER RELEVANCE

Professional audiences across procurement, sourcing, clinical technology evaluation, manufacturing, operations, engineering and commercial leadership.

COMMERCIAL FOLLOW-THROUGH

Hosted Buyer and DealConnect pathways support a more deliberate route from introduction to qualified follow-up.

HOSTED BUYER PROGRAMME

DAXIO pays flights and hotel accommodation for qualified buyers with purchasing authority and the required spending budget. In return, hosted buyers commit to a daily schedule of meetings with exhibitors. Apply through the event team.

DEALCONNECT

DAXIO's structured profiling and matchmaking pathway is designed to improve commercial fit before an introduction and connect relevant buyers and suppliers around sourcing requirements, capability and commercial fit. Exhibitors can share the buyer profiles they most want to meet.

THE DEVICE ECONOMY 2030

WHO WINS THE NEXT GENERATION OF MEDTECH - AND WHAT WILL IT TAKE TO GET THERE?

A CONFERENCE BUILT AROUND THE COMMERCIAL JOURNEY

INVITED SPEAKERS

The public conference section presents invited senior MedTech, hospital, procurement, distribution, manufacturing, regulatory, technology and investment leaders using event-specific speaker cards with professional photographs and session-focused relevance descriptors.
